G/SPS/N/SAU/490 05/01/2023	Saudi Arabia, Kingdom of	<p><i>Poultry meat, eggs and their products</i></p> <p>Notice of Administration Order of Saudi Food and Drug Authority Ref. No. 13965 dated 29 December 2022 entitled "Temporary ban on importation of poultry meat, eggs and their products originating from Mazowieckie and Warmińsko-Mazurskie in Poland".</p> <p>Following the WOAHA report dated 23 December 2022, a Highly Pathogenic Avian Influenza virus (HPAI) outbreak has occurred in Mazowieckie and Warmińsko-Mazurskie in Poland. In compliance with the World Organisation for Animal Health (WOAH), Terrestrial Animal Health Code Chapter 10.4, it is deemed necessary for the Kingdom of Saudi Arabia to prevent the entry of HPAI into the country. Therefore, the import of poultry meat, eggs and their products (with the exception of processed poultry meat and egg products exposed to either heat or other treatments that ensure deactivation of avian influenza viruses) from Mazowieckie and Warmińsko-Mazurskie in Poland to the Kingdom of Saudi Arabia is temporarily suspended.</p>
G/SPS/N/THA/603 05/01/2023	Thailand	<p><i>Live poultry and poultry carcasses (HS code(s): 0105, 0207, 0407, 0408, 0505)</i></p> <p>The DLD order on temporary suspension of importation of live poultry and poultry carcasses from Hungary to prevent the spread of Highly Pathogenic Avian Influenza (Subtype H5N1).</p> <p>The OIE reported an outbreak of Highly Pathogenic Avian Influenza (HPAI) in Csongrád and Bacs-Kiskun of Hungary. Therefore, it is necessary for Thailand to prevent the entry of Highly Pathogenic Avian Influenza disease (HPAI) into the country. By the virtue of Animal Epidemics Act B.E. 2558 (2015), the importation of live poultry and poultry carcasses from Csongrád and Bacs-Kiskun of Hungary is temporarily suspended for a period of 90 days after date of publication in the Thai Royal Gazette (15 December 2022).</p>
G/SPS/N/THA/604 05/01/2023	Thailand	<p><i>Live poultry and poultry carcasses (HS code(s): 0105, 0207, 0407, 0408, 0505)</i></p> <p>The DLD order on temporary suspension of importation of live poultry and poultry carcasses from the Philippines to prevent the spread of Highly Pathogenic Avian Influenza (Subtype H5N1).</p> <p>According to the announcement of the Government Gazette dated 1 September 2022, the suspension for importation of live poultry and poultry carcasses from the Philippines since 28 September 2022 has expired on 26 December 2022. However, the WOAHA has reported a continued outbreak of Highly Pathogenic Avian Influenza (HPAI) in the area of the Philippines. Therefore, it is necessary for Thailand to prevent the entry of Highly Pathogenic Avian Influenza (HPAI) disease into the country. By the virtue of Animal Epidemics Act B.E. 2558 (2015), the importation of live poultry and poultry carcasses from the Philippines is temporarily suspended for a period of 90 days since 27 December 2022 onward in the Thai Royal Gazette.</p>
G/SPS/N/THA/605 05/01/2023	Thailand	<p><i>Live domestic pigs and their carcasses (HS code(s): 0103, 0203, 0502.10.00); Wild pigs and their carcasses</i></p>

The DLD order on temporary suspension of importation of live domestic pigs and wild pigs and their carcasses from Germany to prevent the spread of African Swine Fever.

According to the announcement of the Government Gazette dated 1 September 2022, the suspension for importation of live domestic and wild pigs and their carcasses from Germany since 17 September 2022 has expired on 15 December 2022. However, the WOAHA has reported a continued outbreak of African Swine Fever in the area of Germany. Therefore, it is necessary for Thailand to prevent the entry of African Swine Fever disease into the country. By the virtue of Animal Epidemics Act B.E. 2558 (2015), the importation of live domestic and wild pigs and their carcasses from Germany is temporarily suspended for a period of 90 days since 16 December 2022 onward in the Thai Royal Gazette.

Plátanos (Musa spp.)

Resolución exenta No. 7450/2022: Establece criterio de inspección para envíos de fruta fresca de plátanos (Musaspp.) de origen Ecuador.

Se establecen los siguientes criterios de inspección para envíos de fruta fresca de plátanos (Musaspp.) de origen Ecuador, que se presentan a trámite de importación:

- los inspectores del SAG destacados en los puntos habilitados de ingreso inspeccionarán al menos el 20% de los contenedores de fruta fresca de plátanos (Musaspp.) de origen Ecuador que se presentan a trámite de importación;
- el SAG procederá a rechazar los envíos que arriben al país con un certificado fitosanitario fraudulento o ante el eventual ingreso de artículos reglamentados sin requisitos fitosanitarios establecidos en las normas vigentes;

—para los envíos que no serán sometidos a inspección fitosanitaria, el SAG dará por finalizado el proceso de importación, una vez realizada la verificación documental, y emitido el informe de inspección de productos agropecuarios (IIPA), lo que permitirá a los importadores o sus representantes, disponer libremente de su mercancía. Las medidas establecidas tendrán una vigencia de 90 días después de su publicación en el diario oficial. Mayor detalle se encuentra en la Resolución adjunta a esta notificación.

07/03/2023

Proposed amendment to the "Aquatic Organism Disease Control Act".

To revise the Aquatic Organism Disease Control Act as follows:

- (1) To introduce the registration system of domestic establishments to export aquatic animals and to develop new standards to control aquatic diseases for export;
- (2) To introduce the registration system of foreign establishments and to establish a legal basis for on-site inspection conducted overseas;
- (3) To complement a legal basis to take actions on prohibited imports; and
- (4) To complement other requirement details for domestic disease control processes.
