17/03/2025

Draft Resolution of the Cabinet of Ministers of Ukraine "On Approval of the Procedure for Classifying Drinking Water as Natural Mineral Water"

The draft Resolution provides for the establishment of requirements for classifying drinking water as natural mineral water and to align Ukrainian legislation with the European Union law.

The Procedure approved by the draft Resolution will apply to drinking water extracted in Ukraine or other countries. Drinking waters may be classified as natural mineral water if they meet the requirements and criteria outlined in Sections III and IV of this Procedure, and if at least one conformity inspection has been conducted in accordance with the requirements specified in Sections III and IV of the Hygienic Requirements for the Production and Circulation of Natural Mineral Water and Spring Water (previously notified in G/SPS/N/UKR/156/Add.1). The draft Resolution also provides that natural mineral waters that complied with the requirements of legislation on food safety and certain quality indicators in force prior to the enactment of this Resolution, but do not meet the requirements of this Resolution, may be produced and/or placed on the market for up to three years after the enactment of this Resolution and may remain in circulation until the minimum expiration date or "use by" date. The draft Resolution is also notified under the TBT Agreement.

Ukraine

Smoke flavourings

Draft Order of the Ministry of Health of Ukraine “On Approval of Requirements for Smoke Flavourings”

The draft Order aims to set out requirements for smoke flavourings and ensure the alignment of Ukrainian legislation with European Union regulations on food additives, food flavourings, and food enzymes.

These Requirements outline the general criteria for smoke flavourings, conditions for their use and production, and apply to: smoke flavourings used or intended for use in and/or on foods; source materials for the production of smoke flavourings; the conditions under which smoke flavourings are produced; foods in and/or on which smoke flavourings are present.

The Requirements are based on Regulation (EC) No 2065/2003 of the European Parliament and of the Council of

18/03/2025

		<p>10 November 2003 on smoke flavourings used or intended for use in or on foods, and Commission Regulation (EC) No 627/2006 of 21 April 2006 implementing Regulation (EC) No 2065/2003 of the European Parliament and of the Council as regards quality criteria for validated analytical methods for sampling, identification and characterisation of primary smoke products.</p> <p>The draft Order has also been notified under the TBT Agreement.</p>	
G/SPS/N/GBR/80 17/01/2025	United Kingdom	<p><i>Wool, fine or coarse animal hair; Horsehair yarn and woven fabric (HS code(s): 51)</i></p> <p>Declaration of special measures: Importation of untreated wool and hair of susceptible animals from certain third countries and territories the trade in animals and related products Regulations 2011 (SI 2011/1197); Declaration of special measures: Foot-an</p> <p>These declarations of special measures are necessary to prevent the incursion of foot-and-mouth disease (FMD) to the United Kingdom. The measures prohibit the import of untreated wool and hair of animals susceptible to foot-and-mouth disease from any countries, or zones within countries, that are not recognized by the World Organization for Animal Health (WOAH) as free of foot-and-mouth disease – either with or without vaccination. This is in line with the recommendation set down in Article 8.8.30 of the WOAH Terrestrial Code. For recognized FMD-free zones within countries that are not recognized by WOAH as wholly free of foot-and-mouth disease, the measures establish additional certification requirements for imports of untreated wool and hair of animals susceptible to foot-and-mouth disease. These requirements require guarantees that the products concerned have originated and been dispatched from a zone recognized as free of foot-and-mouth disease by the World Organisation for Animal Health.</p>	Emergency notifications (SPS)
G/SPS/N/GBR/81 17/01/2025	United Kingdom	<p><i>Guts, bladders and stomachs of animals (other than fish), whole and pieces thereof, fresh, chilled, frozen, salted, in brine, dried or smoked (HS code(s): 0504)</i></p> <p>Declaration of special measures: Importation of animal casings from susceptible animals from certain third countries and territories the trade in animals and related products Regulations 2011 (SI 2011/1197); Declaration of special measures: foot-and-mouth</p> <p>These declarations of special measures are necessary to prevent the incursion of foot-and-mouth disease (FMD) into the United Kingdom (UK). In addition, risks of incursion of diseases such as classical swine fever (CSF) and African swine fever (ASF) also need to be addressed. The import of animal casings derived from species susceptible to these diseases is being limited to those countries who are eligible to import fresh meat of the species in to the United Kingdom, or, to those countries that are recognized by World Organisation for Animal Health (WOAH) as free of FMD with or without vaccination, plus the following countries: China, Egypt, India, Iran, Lebanese Republic, Morocco, Mongolia, Pakistan, Tunisia and Uzbekistan provided they follow the risk mitigation treatment requirement. These measures also apply certification requirements, in line with the recommendations set down in Article 8.8.41 (FMD), 15.1.24 (ASF) and 15.2.24</p>	Emergency notifications (SPS)

(CSF) of the WOAHP Terrestrial Code, to mitigate the risk of disease entry, and require confirmation that animal casings are derived from animals that are not from a premises under restriction for the relevant notifiable diseases.
