G/SPS/N/THA/635 30/03/2023	Thailand	<p><i>Live poultry and poultry carcasses (HS code(s): 0105, 0207, 0407, 0408, 0505)</i></p> <p>The DLD order on temporary suspension of importation of live poultry and poultry carcasses from Hungary to prevent the spread of Highly Pathogenic Avian Influenza (Subtype H5N1)</p>	

Číslo/Dátum	Notifikujúca strana	Charakteristika notifikácie	Pripomienková doba
		<p>According to the announcement of the Government Gazette dated 15 December 2022, the suspension for importation of live poultry and poultry carcasses from Hungary has expired on 15 March 2023. However, the WOHAI has reported a continued outbreak of Highly Pathogenic Avian Influenza (HPAI) in Bacs-Kiskun, Csongrád and Hajdú-Bihar of Hungary. Therefore, it is necessary for Thailand to prevent the entry of Highly Pathogenic Avian Influenza (HPAI) disease into the country. By the virtue of Animal Epidemics Act B.E. 2558 (2015), the importation of live poultry and poultry carcasses from Bacs-Kiskun, Csongrád and Hajdú-Bihar of Hungary is temporarily suspended for a period of 90 days since 16 March 2023 onward in the Thai Royal Gazette.</p>	
G/SPS/N/USA/3373 30/03/2023	United States of America	<p><i>Fresh beef</i></p> <p>Proposed Rule: Importation of Fresh Beef From Paraguay [Docket No. APHIS-2018-0007]</p> <p>We are proposing to amend the regulations governing the importation of certain animals, meat, and other animal products by allowing, under certain conditions, the importation of fresh (chilled or frozen) beef from Paraguay. Based on the evidence from a risk analysis, we have determined that fresh beef can safely be imported from Paraguay, provided certain conditions are met. This action would provide for the importation of fresh beef from Paraguay into the United States while continuing to protect the United States against the introduction of foot-and-mouth disease.
