Animals, germinal products and products of animal origin

Commission Implementing Regulation (EU) 2022/35 of 6 January 2022 amending and correcting Implementing Regulation (EU) 2021/404 laying down the lists of third countries, territories or zones thereof from which the entry into the Union of animals, germinal products and products of animal origin is permitted in accordance with Regulation (EU) 2016/429 of the European Parliament and of the Council (Text with EEA relevance) G/SPS/N/EU/539
The Regulation corrects and amends Regulation (EU) 2021/404 to address certain inconsistencies between the lists of third countries, territories or zones thereof authorized for the entry into the Union under the Animal Health Law, and applicable from 21 April 2021, and the lists of third countries authorised for imports into the Union laid down in a number of EU legal acts which were repealed as from that date.
