The product certificate on SNI marking shall be issued by a Product Certification Body which has been accredited by KAN and appointed by the Minister of Industry through testing of the conformity of the products' quality against SNI requirements.	04/11/2023

		<p>Directorate of Forestry and Plantation Product Industries, Ministry of Industry is the institution that is responsible for the implementation of this decree and shall provide a technical guidance of the decree, which covers the procedure of Product Certification and SNI Marking.</p> <p>Products that are distributed in the domestic market that originated domestically and are imported shall meet the requirements consisting: SNI 3755:2019 Cigarette paper Safety requirements which specify terms and definitions, quality requirements, sampling, testing method, testing acceptance, marking requirement, and packaging (this standard is available in Indonesian).</p>	
G/TBT/N/TJK/24 05/09/2023	Tajikistan	<p><i>VEHICLES OTHER THAN RAILWAY OR TRAMWAY ROLLING STOCK, AND PARTS AND ACCESSORIES THEREOF (HS code(s): 87); Environment. Health protection. Safety (ICS code(s): 13)</i></p> <p>Decree of the Government of the Republic of Tajikistan of 2 August 2023, #355 "On the Import Prohibition to the Republic of Tajikistan Vehicles Produced before 2013"</p> <p>Decree developed to prevent importation of old cars which are the main source of air pollution per year that are harmful for human health and environment and significant rise of wastes (batteries, tires, air conditioners) from the old cars</p>	04/11/2023
G/TBT/N/GBR/68 05/09/2023	United Kingdom	<p><i>Wine made of fresh grapes, including fortified wines (HS: 2204)</i></p> <p>The Wine (Amendment) (England) Regulations 2024, 10 pages, English. The Wine (Miscellaneous Amendment) (Scotland) Regulations 2024, 10 pages, English. The Wine (Amendment) (Wales) Regulations 2024, 10 pages, Welsh, English.</p> <p>These measures introduce into Great Britain (GB) law a prohibition on the marketing of ice wine unless the definitions, detailed in the Regulations, are met. The ice wine provisions as follows -No person may market a product using a term mentioned below unless the product is a wine made exclusively from grapes naturally frozen on the vine. The terms referred to above are: (a) 'ice wine'; (b) 'icewine'; (c) 'ice-wine'; (d) a term similar to a term mentioned in point (a), (b) or (c); (e) a term having the same meaning as a term mentioned in point (a), (b) or (c) in a language other than English; (f) a term having a similar meaning to a term mentioned in point (a), (b) or (c) in a language other than English. This legislation will also amend the law so that the oenological practices that may be used to make wine will align with relevant international standards (the International Code of Oenological Practices and the International Oenological Codex of the International Organisation of Vine and Wine) taking into account changes in wine-making practices endorsed by the International Organisation of Vine and Wine (OIV). The proposed reforms will not apply to Northern Ireland.</p>	04/11/2023
G/TBT/N/VNM/271 05/09/2023	Viet Nam	<p><i>Fire fighting and prevention equipments</i></p> <p>Draft National technical regulation on fire protection equipment</p>	28/09/2023

This draft National Technical Regulation stipulates the requirements for the limits of technical characteristics and management in the verification of fire fighting and prevention equipment included in the mandatory verification list of fire fighting and prevention prior to market release in Vietnam in accordance with the provisions of the Law. This draft Regulation does not apply to imported fire fighting and prevention equipment in the form of samples, goods exhibited at exhibitions or fairs; goods temporarily imported for re-export, goods in transit not to be consumed and used in Vietnam. This draft National Technical Regulation applies to: Organizations and individuals that manufacture, assemble, domestically rebuild, and import fire fighting and prevention equipment; Authorities and organizations in charge of verifying fire fighting and prevention equipment; Competent authorities and organizations responsible for quality control of fire fighting and prevention equipment.
